Dear Parishioners:

The Pastoral Council in conjunction with the Parish Finance Council has embarked on many projects in the last year and half. Recently it has decided to renovate the bathrooms and three major entries and exit doors at the Joseph's Pastoral Center. The decision to renovate is predicated on two reasons:

1. To bring them up-to-date and repair some structural issues in the bathrooms and
2. To bring them to code and make them handicap accessible and compliant

This project is expected to cost about \$75,000. There are about 300 families in the Parish and if each family contributes \$250, it will help us reach our goal.

We cannot complete it without the generosity of our parishioners. Enclosed is a pledge card for you to express your commitment to this endeavor. No amount is too small.

We thank you so much.

Fr. Wilbroad Mwape
Parish Administrator
